

## Employment Opportunity

Location: Medicine Hat, Alberta

Schedule: Flexible (Part-time or Full-time)

We're looking for a Hygienist to join our amazing team in Medicine Hat, Alberta. We're looking for a Hygienist that has a passion for building strong patient relationships and contributing to their ongoing oral health. As a Hygienist with River Dental you will have the opportunity to work alongside and learn from a strong team of dental professionals!

### Responsibilities:

- Appropriately assess, plan, implement and evaluates services for patient care
- Perform all aspects of clinical preventative hygiene services including scaling, root planning, polishing, topical fluoride, pit and fissure sealants and whitening to patients
- Serve as an oral health educator by introducing new preventative techniques and counseling
- Provide consistent patient experience during hygiene visits
- Establish strong patient relationships while maintaining ethical professional behaviour
- Establish and retain patient loyalty by delivering a tailored experience based on the patients' expectations
- Demonstrate active listening and empathy to patients using effective communication skills

### About you:

- You've successfully completed a Dental Hygiene Diploma or Hygiene Degree program
- You're registered and/or licensed by the dental hygiene regulatory authority within the province and in good standing
- You hold a valid CPR Certification
